WE

|||||

senses piece themselves hide inside her stones death escorts fingers
envelope her daggers sacred come noone feels sacred inspection enters
ear flower creature jumped knives reconciled ashore becomes flesh
trembles owes accidents protects stones cases intended come creatures
forgive meats threaten themselves time seen he devoured secrets certain
teeth reputation over silence he sees mistakes searching being twice yet
whiskers over came blade makes devoured speak benediction dried half-
heartedly her beaked echo yes feel satisfied breath appears covered even
check her stones one accepted present smell death's head escaped
intervals her life revolved calmed insinuates the few then tongues the
same earlobe steps ropes then idea beckons veiled presents the terrace

alive legs over eyes orange knife confuses needs her sewn wears peeling
deals pronounce terror cave knife itches while net forever bends entire
flesh miracle eyes evening pretext silver like drew attached impulse while
belief makes flesh behold water he's equally stone steadies the ancient
bone surprised her enterprise jewel knees relax moments speak blade
gushes details enough the infinite between breaths sinew I've invited the
intensely affable specialist while earth touches one steady leaf the green
events spread summer exhales massages there alone time takes together
yet conversation promises silence explains possession glitters breathing
the alarmed speed speech heats the explosion forever incessant

EYE

|||||

is its integral itself is brain is seeing is think it distinct if hit
height until I without cigarette trying its I I'm things sitting with this notice
intends distract silence the red eye of the pistol
said doing the red eyes of the pistil
noticing is will magnetic lips
picturesque portraits outside talking
preventive distinct the red eyes of the pistol
exemplify the sacred ice of
consider moving the death tree is
I is in vibrating questions investment
pink situations improve bodies magnet
which waiting is in established ink etic slips
evidently is inside, taking clicks
things right idea the manifest finger
interest something telling pictures of the vowel
I while original antithesis I solitude
impressed in thinking again happening the red eye
lights whistle is discontinuous train of the etic lips

acting I is like clearing instruments, clicking is spacious exhibition,
mentioning things
radio pig saying which is is thesis said being painting dentists in mountains
recognized his ringlets scenic staircase
afraid it childrens
is certain it emanation of the letter in
while nominative if descending a vertical iota
ignore ink in notice dimension waiting
click read pistil of the whispered vowel
circles seeing, stride interfering
I delicious consciousness, hyperbolic questions, being air, reading
phantasmagoric die, mind feeling, watching wind, staring, clicks, circles I,
multiple, afraid, being containment, political interest, this will, motion,
different, rigged in minor height, is I, knowing first, climbing things
himself, waiting
diplomats children outside I emotionally spring
visible is centripetal nothing
if traffic mirrors mountains, imagine city behind I
seemingly smiles
I impelling into mountains sign of
this rapid mountain is tripping quickly the bisected
chinese diamonds eclipse mountains hand
reactions reading size lightening in a sphere
reading first sifts information
bright crashing points infuriate recording
cities outside overlapping something dolphins distance into highest music
delineates I treating light the read eye of the etic
doing, if in imaginary lie
I'd individual buildings, enjoying his fluidity, making it mountains himself
the read i of eidetic
thinking lies things distantly, is motions napkin, it rides his photographic
city, playing thing, while image ignores ethical minds superimpose
attention
